WELCOME TO
OKAYAMA TOASTMASTERS CLUB!

Become the Leader and Speaker you want to be. In Toastmasters, you can expect to improve your public speaking and leadership skills among a group of people who want you to succeed.

Toastmasters is a supportive group environment, not a classroom with an instructor, where people learn from each other how to organize, write and deliver presentations with poise and confidence. Members will watch, listen, and give you feedback suggesting areas for improvement. You can expect to be encouraged, impressed, and helped by other members in friendly and enjoyable atmosphere. By attending meetings, you strengthen your ability of communication and leadership.

TOASTMASTERS MEETING STRUCTURE

Club meetings are the core of your Toastmasters experience. It is here that you will practice your skills and hone your craft with the support and encouragement of others. Every club meeting has three parts:

<table>
<thead>
<tr>
<th>Prepared Speech</th>
<th>Evaluation</th>
<th>Table Topics</th>
</tr>
</thead>
<tbody>
<tr>
<td>Members present speeches based on projects in the TOASTMASTERS PATHWAYS learning experience, an exciting and interactive way to develop communication and leadership skills. Four to five speakers are scheduled in a meeting.</td>
<td>Each prepared speech is verbally evaluated by a fellow member in a helpful, constructive manner. The evaluator also prepares a written evaluation, and all members are invited to submit written feedback, too.</td>
<td>Here all attendees have an opportunity to present one- to two-minute impromptu talks. This is often the most challenging and fun part of your meeting.</td>
</tr>
</tbody>
</table>
